

Friends of the Garden

When you show support for the garden with your gift of \$25.00, a message of your choosing will be permanently engraved on a brick and made part of the wheelchair accessible walkways planned throughout the community garden at Don Warden Park in West Plains.

Messages can be almost anything. Typical messages: the name of your business plus other identifying information; your name or your family name plus the words, "Garden Friend"; and messages "in honor of", "to celebrate" or to memorialize.

Memberships to *Friends of the Garden* make great gifts for supporters during the holidays or to commemorate anniversaries or birthdays. Bricks with reference to favorite sports teams are also perfectly acceptable - "Go Zizzers!" and "Go Cards!", for example.

Play a role in beautifying our City, feeding the hungry and promoting local, healthy food production by becoming a member of *Friends of the Garden*. All gifts go 100% to the operation of the community garden and fall under the 501 © (3) non-profit tax status. (Inscribe your message on Page Two.)
